

Oregon Chiropractic Association: Application for Membership

I hereby apply for a membership in the "Oregon Chiropractic Association" (OCA), a professional association. I understand that this association is a membership based association that functions as a 501(c)(6) that has an established set of "Bylaws" and a "Mission Statement". I further understand that there are dues associated with this membership. I understand that my application is subject to approval and that I will be notified of my acceptance within 30 days. I understand that upon my acceptance, I will have dues billed as marked below and that membership requires the dues to be paid in a timely manner in order to keep my membership in good standing. I agree that if I should decide to resign, I will do so in writing with 30 days notice to the OCA and that resignation will be sent certified mail to the OCA office (shown below or as is current at that time). I agree that any dues through that date remain my responsibility through the month of the receipt of my resignation by the OCA and will be paid. I further understand that membership renews automatically each year and no other application will be needed annually once membership has been approved. Fee increases will automatically apply for those members whose fee structure increases year to year. I have enclosed the appropriate monthly, quarterly, or annual dues payment or given my credit card number (below) for processing. Monthly billing will only be processed with credit card being furnished (for automatic processing each month) and quarterly or annual dues may choose either automatic credit card or payments by mail.
